

REMARKS

Claims 1, 3-48, 52-54 and 56-63 are pending in this application. By this Amendment, claim 1 is amended to correct a typographical error, and claims 52 and 53 are amended to correct mistakes in naming of compounds and to delete incorrectly named compounds. Support for the amendments to claim 52 can be found, for example, in the specification at page 349, lines 6-7, page 368, lines 12-13, page 369, lines 25-26, and page 371, lines 28-29, and in the chemical images in the specification as filed at page 368 (Synthesis Example 66), page 369 (Synthesis Example 67) and page 372 (Synthesis Example 70). Claims 56-63 are amended to correct typographical errors, by amending portions of the chemical nomenclature ("1H", "2H", "6H" and "7H") to be italicized. No new matter is added by this Amendment.

I. Amendments To The Specification

The specification is amended at pages 349 and 360-371 to correct mistakes in naming of compounds. Support for the amendments can be found in the specification as filed in the images on pages 360-371 (Synthesis Examples 59-70), and in Synthesis Examples 37 and 59-70 themselves. The described syntheses result in the amended compounds listed, not those previously listed.

II. Conclusion

In view of the foregoing, it is respectfully submitted that this application is in condition for allowance. Favorable reconsideration and prompt allowance of claims 1, 3-48, 52-54 and 56-63 are earnestly solicited.

Should the Examiner believe that anything further would be desirable in order to place this application in even better condition for allowance, the Examiner is invited to contact the undersigned at the telephone number set forth below.

Respectfully submitted,
